RAR/SAC

11th June 2010

Dear Parents/Carers

Over the last few months, governors, along with senior staff and Local Authority officers, have been giving careful consideration to a wide range of options aimed at best ensuring stability and continuing improvements to the educational opportunities for your children. This has been set against a backdrop of pupil numbers in the town.

You will find enclosed with this letter one from Lorraine Butcher, Head of Services for Children and Families at Cheshire East Borough Council, which sets out in more detail the outcome of these considerations with a proposal which is supported by ourselves and also by governors at Macclesfield High School and Local Authority officers. The proposal will be given formal consideration by the Cabinet Member with responsibility for Children and Families Services and, subject to her agreement, there will be a formal public consultation on this to commence early next month.

We commend this proposal to you as one which merits the most serious consideration. In the event that approval is granted for a formal consultation, we hope that you will take the opportunities that will be available to you and all other interested parties to raise questions, seek clarification and share your thoughts and views on the best way forward for young people in our town.

Yours sincerely

M R SMITH
