

## PRESS RELEASE

## Tytherington Takes Prestigious International Prize

We are proud to announce that Tytherington High School has been successful in obtaining the British Council's prestigious International School Award for its extensive work with schools in different communities across the globe, from its longstanding links with France and Germany to new and exciting connections with Spain and even South Africa and China.

The International School Award is an accreditation scheme run by the British Council for curriculum- based international work in schools.

During the last academic year, Tytherington pupils took part in the French Exchange with our partner school Lycée Châtele , the German Exchange with the Rechberg Gymnasium and were involved in a Spanish Comenius project.

Each year Tytherington celebrates cultural diversity by means of our European Day of Languages (which took place on Sep. 24<sup>th</sup>). In addition, the MFL department runs a Primary Festival of Languages with a number of our partner primaries.

The organizers of the award congratulated Mrs. Mary Henshaw, and her team of teachers for displaying such an “impressive range of work” adding that they are “a credit to the school and the wider community.”

John Rolfe, the manager of the award on behalf of the British Council, commented that the acquisition of the award is “a great achievement and one that deserves celebrating and sharing widely.”
