

Rugby Glory for Tytherington

Tytherington's Year 9 Rugby team have excelled themselves this year by becoming North West County Emerging Schools Champions. They successfully beat the runners up, West Lakes High School from Cumbria, at the North West finals at the Metronics Stadium in Trafford.

Tytherington players gave magnificent performances based on aggressive pressing defence. Not a single try was conceded by the team in the whole of the tournament. It was a truly magnificent team effort, and Elliot Mierzejewski, Hugh Milner and Christian Taylor were leading try scorers. David Gamwell, a member of the team said: "I felt extremely happy with our victory, and it's a day I'll remember".

Christian Taylor, the Captain of the team, has recently been selected for the Cheshire Under 14 squad. Bryan Graham, an assistant rugby coach at the school comments "It's fantastic to see an improvement on previous year's successes and this is largely due to a drive within the school to promote and develop the sport of rugby."

Last year, the team were runners up in the competition, and well done to them for showing a gritty determination to go one better this year!
